

Freiburg Medical Laboratory ME LLC

FREIBURG MEDICAL LABORATORY ME LLC (FML)

provides German quality accredited medical laboratory services to the UAE and Middle East. FML, a medically-led laboratory established in 2002, is a joint venture between the University of Freiburg (Germany), Synlab (Germany) and the Al Abbas Group (UAE) located centrally opposite Burjuman Center. We are a private independent provider of clinical laboratory diagnostic services, offering more than 5000 parameters together with our German partners. We support our customers with accurate laboratory information required for diagnosis and treatment of medical disorders. Our philosophy encompasses medical excellence, innovation and constant quality improvement.

OUR PORTFOLIO

consists of highly specialized tests (inherited metabolic disorders, genetics incl. oncogenetics, molecular virology, viral genotyping, environmental testing and many more), special tests (autoimmune diagnostics, risk profiling, hemoglobinopathies, etc.) and all routine tests incl. health check-ups for employees and private patients.

UNDER GERMAN MANAGEMENT

Associate Prof. Dr. med Michaela Jaksch together with other German scientists and the highly trained team assure best service and highest quality results for all special tests and the daily routine at the best turnaround times.
